Contact Ball Juggler

Crystal ball juggling will add an element of magical illusion to your event, manipulating multiple crystal balls.

These crystal balls look like floating bubbles and make spellbinding shapes. Watch them roll effortlessly across the juggler's hands as well as glide around their entire body with ease. It is almost unbelievable what our contact jugglers can do!

This skill is the perfect mesmerising walkabout act giving a great skill full visual illusion

Ice Queen Champagne Serving Dress

Our ice queen champagne serving dress glides around the room in a beautiful dazzling costume offering guests the chance to pick their own drink from her skirt.

Great for picture opportunities too as the costume is a beautiful installation in itself.

Lantern Ballet Show

Guests love this Lantern performance from our beautiful ballet ensemble. Utterly magical and hugely versatile, the lights in the shoes and delicate styling of the costumes, with the exquisite illuminated lantern props, are unique.

This beautiful ensemble was developed as banqueting entertainment, but has also proved a huge hit as a Christmas entertainment act.

Mirror Ballerinas

These mirror ballerinas are a beautiful combination of traditional ballet dressed in a unique and bespoke dazzling costume.

New for 2020, with well over 1,000 tiny mirror shapes on the costume, all hand made, these sparkle and reflect in the light giving an array of elegance whilst the duo perform a choreographed show.

Optio Dance

Our white optio dance act is a winged dance performance combining contemporary dance and ballet. The illuminated white isis wings are inspired by Loie Fullers famous butterfly dance.

Clockwork Ballerina

Our wind up white clockwork ballerina or nut cracker red ballerina performs an enchanting ballet show dancing en pointe either as a walkabout act or solo stage style act.

The walkabout option is very interactive with guests able to turn the key to start a mesmerising and stylish dance across the floor

Mime Artist

Solo mime is one of the most skilled of entertainment genres.

A mime artist has to create interest, excitement, empathy, narrative and humour whilst remaining silent. They constantly discover the 'moment' and those moments might be completely different & need different emotions from the last.

Richard our mime artist has performed his great art of mime all over the world and brings magical comical moments to all the events he performs. His walkabout act can be appreciated close up or afar and he brings smiles and hilarity to any event.

Orchid Ballerinas

Our beautiful white ballerinas are classically trained to a high level. They can also come costumed with many white led lights all sewn into the famous tutus for an extra modern twist.

The show routines, for walkabout or stage, are elegant and captivating performed either to traditional ballet classics or more of a modern twist.
